About the Eclectic Ethereal Encyclopedia

The EEE is a collection of *public-domain* articles. Its planned foci are:

- Subject: Anything related to material in the *Christian Classics Ethereal Library*.
- Form: Biographical articles, or introductions to works.
- Length: Several thousand words or so (comfortably fitting on a single scrollable page of text.)
- Source: Published authoritative material that has entered the public domain (e.g., by being first published in the United States before 1923.)

The *EEE* welcomes contributions. Material will be published in HTML form, but can be submitted in any format readily convertible to ASCII text. Please include information on the source, so copyright can be checked. It should be possible to incorporate new articles very quickly.

Stephen Hutcheson

Material can be sent to *hplantinga* at *calvin* dot *edu* (obviously converting to normal e-mail address syntax). I can be contacted through *Open Directory Project* editor feedback: dmoz.org/profiles/hutcheson.html
